PROFESSION OF FAITH.

~~~~~

YOU BELIEVE that there is one only living and true God, existing in three persons, the Father, the Son, and the Holy Ghost—the same in essence, and equal in glory: That the Scriptures of the Old and New Testaments are given by the inspiration of God, and are a perfect rule of faith and practice: That all mankind, by nature, are in a lost and ruined state; and, as sinners, stand justly condemned by the law of God, to suffer his wrath and curse: That the atonement and righteousness of Jesus Christ is the only foundation of hope of life eternal: That the enlightening and sanctifying influences of the Holy Spirit are absolutely necessary to lead us to a saving knowledge of the truth, to make us holy, and fit us for the enjoyment of God: That Jesus Christ, who is God and man in one person, arose from the dead on the third day, and ever lives to make intercession for his people.

You believe that the souls of believers are at their death made perfectly holy, and admitted to the enjoyment of God in his heavenly kingdom: That at the end of the world there will be a resurrection of the dead, and final judgment of all mankind, when the righteous shall be publicly acquitted by Christ, the Judge, and admitted to everlasting life and glory, and the wicked condemned to everlasting punishment.

~~~~~

C O V E N A N T.

And you do this day publicly acknowledge and choose the only living and true God to be your God; and by the assistance of Divine grace resolve to make his Law the rule of your life,

hoping that you do sincerely repent of your sins, and receive the Lord Jesus Christ as your only Saviour and Redeemer—trusting in the mercy of God, through his atonement, as the only ground of your justification. You also hope you have a cordial love of benevolence for all mankind, sincerely desiring their best good and happiness, and a delight and complacency in those who appear to be real Christians: And through Christ strengthening you, without whom you can do nothing, you resolve to deny all ungodliness and worldly lusts, and give up yourself to the Lord Jesus Christ, to be taught and governed by him: And you also bind yourself in his strength, to walk with this Church in all the ordinances of Christ, and with the members thereof as becometh a member, according to the requirements of the gospel. *Thus you profess and covenant.*

Then doth this Church also promise you, that through the help of Christ, without whom we can do nothing, we will walk towards you in all brotherly helpfulness according to the gospel.

Thus you are admitted a member of this Church, and have a right to all its privileges. May you have grace to improve them to the glory of God and your own edification.

CONSTITUTION.

Articles of Agreement assented to and received by the Church of Christ, founded and established in the United Societies of White Haven and Fair Haven, in New Haven.

1. This Church is free and independent, subject to the government of JESUS CHRIST, the great Head of the Church.
2. The members of this Church, and all who shall hereafter become members thereof, are, by their lives and conversation, to appear as the friends of virtue and religion.
3. The infant seed of professing Christians are entitled to the ordinance of baptism.

4. Adult persons not baptized in infancy, by professing the faith of this Church, and taking upon themselves the bond of the Covenant, are, in consequence, entitled to all the privileges thereof.

5. No member of this Church shall be subject to discipline, or censure, but for immoral conduct, or for an open and explicit renunciation of the great and fundamental doctrines of revealed religion.

6. The discipline of this Church, for private offenses, shall be that prescribed by Jesus Christ in the 18th chapter of Matthew, in the 15th, 16th and 17th verses; and for offenses before the Church, the offender must be answerable to the Church, with whom such offenses must be settled.

7. The Elder of the Church shall be Moderator and Clerk, and shall have a casting vote, should the votes of members at any time be equally divided; and all the affairs of the Church shall be determined by a major part of the votes of the members present.

8. No alteration or amendment in this Constitution shall take place, unless by the votes of two-thirds of the members, in church meeting, especially called for the purpose.

ADDITIONAL RULES.

Adopted June, 1855.

I. Persons who are not members of other Christian Churches, may become members of this Church, after an examination by the Pastor and Deacons, and upon giving satisfactory evidence of Christian character. They are to be propounded to the Church for three weeks, and to the congregation not less than one week, before their admission: which is to be by their solemn and (except in extraordinary cases) public, assent to the confession of faith and covenant of this Church. The question shall always be put to the vote of the brethren, whether they shall be propounded to the congregation, and thereafter,

provided no substantial objection appears against them, admitted to membership.

II. Persons who are members of other Christian Churches, if they bring a dismissal and recommendation from the Churches to which they belong, or satisfactory evidence of membership and good standing in those Churches, unless something is shown to invalidate their testimonials, may be admitted to membership in this Church, having read and assented to the confession and covenant, by a vote of the brethren. In such cases the Church is to be notified of their letter of recommendation, at least four weeks before their reception.

III. This Church hold it to be a solemn and important duty to attend watchfully to the discipline which Christ has instituted in his Church.

IV. In cases of public and notorious offenses against the laws of religion and morality, the Church, as a body, may proceed to call the offender to an account at once, by a committee appointed for that purpose.

V. Members of other Christian Churches, who are occasionally present in our assemblies for worship, are to be affectionately invited to commune with us in Christian ordinances.

VI. Members of other Christian Churches, who join with us statedly in public worship and Christian ordinances, are expected to become members of this Church by presenting letters of dismission and recommendation from the Churches to which they belong, within one year.

VII. Members of this Church, who leave this place to reside in other places, or who leave our Sanctuary to worship statedly in any other Sanctuary, are required to take letters of dismission and recommendation from us to some other Church within one year, unless good and sufficient reasons are given for deferring it; and those who have neglected compliance with this rule for more than *two* years, after due notice given to them, shall be regarded as no longer members of this Church.

However, if they shall thereafter give satisfactory explanation of their neglect of our rule, they shall be restored to their standing, and shall be entitled (if they desire it) to letters of dismission and recommendation.

VIII. While this Church regards itself as free and independent, subject only to the government of Jesus Christ, it acknowledges the obligation, and rejoices in the privilege, of fellowship with other Churches, and of seeking counsel from them, and of giving counsel to them, in cases of difficulty or importance.

IX. In all meetings for business, the Church shall be governed by the usual rules of order for deliberative bodies. Appointments and elections may be made either by nomination or by ballot; and they shall be made by ballot, whenever three or more members request it.

X. There shall be a Treasurer appointed by the Church from among the Deacons, who shall have the care of all money raised or given for the use of the Church. He shall pay from such money all demands upon the Church authorised by them, and shall advance to the Deacons such sums as they shall require for the expenses of the Communion table, or for the relief of poor members;—and shall render his account to the Church annually, of all his receipts and disbursements.

THE STANDING COMMITTEE.

XI. There shall be elected every third year, by ballot, three members, who shall be a Standing Committee of the Church, and shall have the powers, and perform the duties, specified in the following articles, viz.:

1. It shall be the duty of this Committee to inquire into all public offenses in this Church, which may come to their knowledge by complaint, or otherwise.

2. In all cases of private offense, when the preliminary measures prescribed in the eighteenth chapter of the Gospel ac-

according to Matthew, shall have been taken, complaint may be made to this Committee instead of the Church.

3. It shall be the duty of the Committee to ascertain the facts in each case which may come before them, and, if the case cannot be properly settled otherwise, they shall make report to the Church, both of the facts, and of the measures proper, in their opinion, to be taken.

4. This Committee shall have power to summon before them all members of this Church, accused of any offense, to examine them, and to give them such brotherly counsel, as may, in their judgment, tend to reclaim them, if they are found to be offenders.

5. This Committee shall have power to call upon any of the brethren of the Church to aid them in the discharge of their duties.

6. This Committee shall meet statedly once a month, and oftener, as cases may require.

But this Church declare, that in appointing this Committee, they do not discharge or lessen the obligations of the individual members of this Church, to watch over, admonish, and reprove one another.

THE ANNUAL MEETING AND REPORTS.

XII. 1. On or near the second Sabbath evening in January, there shall be an annual meeting of the Church for the review of the preceding year.

2. There shall be reports by Committees previously appointed ; (1) respecting the additions to and removals from the Church ; (2) respecting the contributions of the Church and Congregation to objects of Christian benevolence ; (3) respecting the religious instruction of the young, especially in the Sabbath School ; (4) respecting the state of religion in the Church and Congregation.
